The Dy Comr, is subject to the control of Govt in all matters connected with the guardianship of the minor adopted son of the late R. B. Tholadappa.

3) The Dy Comr recommends the appointment of Mr H. K. of the deceased philanthropic Gentleman. Mr. Veerabasaviah has accepted the offer of the Dy Comr.

4) As regards the liability of the manager, he is to furnish accounts every month to the Dy Comr, who will supervise the management.

5) ~~As to~~ The remuneration of Rs 100/ per mensem, recommended by the Dy Comr & accepted by the Mr. Veerabasaviah seems to be reasonable (and perhaps modest), as the latter has to entertain a clerk underhim at his own expense.

6) The Dy Comr points out that no rules are framed for the guidance of the Dy Comr, when he is appointed ex-officio guardian under Sec 17 of the Guardian & Ward Regn of 1911.

the affairs of the estate & hence the appointment of an Manager seems to be desirable & necessary. From what the Dy Comr says Mr Veerabasaiah seems to be the proper person for the work; besides being a lawyer & a business man, he seems to have some personal interest in the family of the deceased.

9) The only point for consideration is whether the fee proposed is not a little too high. The annual income of the estate is not mentioned in the Dy Comr's letter. The total value of the estate is estimated at about Rs 70,000 including immoveables & assets. Taking an average rate of 5 p.c. as the income of the estate it comes to Rs 3500. It is proposed to pay out of this, a sum of Rs 1200 per year to the manager. The period of his employment has not been specified.

Reports in re- The management of the property of the late Rao Bahadur Gulbai Thotadappa the District Gute, Bangalore

he is subject to the control of Government in all matters connected with the guardianship of his ward. No rules appear to have yet been framed by Government, laying down any definite line of procedure to be followed by the Deputy Commissioner. It does not require any lengthy argument to show that it will be rather difficult for the Deputy Commissioner, who is entrusted with multifarious duties, to directly manage the Estate.

I have been for some time past considering as to what would be the best arrangement to make under the circumstances. The property concerned is a pretty large one. Suitable arrangements have to be made for the education of the minor. Taking all these facts into consideration, I have thought it necessary to

3 to appoint a Manager, and entrust the affair to him; making him liable to maintain proper accounts, and render them to the Deputy-Commissioner every month.

Mr. N. K. Veerabasavia, B. A., B.L., Advocate, is a Lingayet, and a gentleman of high Educational qualification and respectability. He may be fairly expected to manage the property, and arrange for giving necessary education to the Minor. I offered the appointment to him, and he has given his consent; provided he is paid a remuneration of Rs: 100/- a month.

The property concerned consists of a few houses and shops in the Bangalore City, some jewellery, and outstandings. - Timely repairs will

will have to be executed to the buildings; to preserve them in good condition, and the monetary transactions will have to be managed to the benefit of the Donor; instituting law suits if necessary.

The Manager will have to entertain a clerk at his own expense.

Under these circumstances, I would recommend that the Government will be pleased to sanction the appointment of Mr. Veerabasavia, as Manager on Rs. 10/- per mensem.

All the papers bearing on the subject are herein enclosed for reference and return.

Sir,

With reference to your letter No.J.42/Cts.321 -12-2 dated the 3rd July 1913 calling for further information regarding the management of the late Rao Bahadur Thotadappa's property, I have the honor to state that from the statement prepared by Mr Yejman Basappa , one of the executors of the will and who -- has been uptil now managing the affairs of the deceased Thotadappa, it will be seen the estimated annual gross income from the Estate is Rs. 3,495-5-0, consisting of interest on amouts lent to different people and of rents from buildings.

2. The maintenance of the minor heir, which is estimated at Rs. 25/- a month seems to be the only recurring expenditure to be met out of the income of the estate. The expenses re-- ferred to at the end of the statement items no. 2,4, and 5 - will have to be settled after the cases to which they refer - come to a termination. The statement recived from Mr Basappa is enclosed in original for reference and kind return.

3. The minor boy is about 12 years old, and the management of the estate by the manager may have to continue for at least six years more. The boy now looks ill-nourished and neglected, and the favour of very early orders is solicited.

4. Mr. Veerabasavayya appears before me and suggests that the big house in Mamulpet now occupied by Mrs. ~~Thotadapp~~ Thotadappa and the minor Rudrappa may be let out for Rs 30/- ~~35/30/-~~
